Providing Hope & Healing for the People of Limon Honduras

Help Us Build An Orphanage!

Orphans

- The lucky orphans, are the over 45 orphans crammed into one rundown Limón orphanage.
- There are over 100 orphans in the area living on the streets or in poor conditions, which do not have money for food, clothes or schooling. Nor do they get the love and caring they need.
- There is very little to no support from the government.
- Most of the children are orphans because their parents died of AIDS.

Our Goal is to raise money for the building supplies to build an orphanage big enough for 150 orphans, to get the orphans out of an overcrowded building and off the streets and into a loving environment.

They have been given the land and have the workers to build the orphanage. Yet more important they have the dream, love, leadership and determination to make it happen.

Help be a Guardian Angel to these orphans and give a donation!

We can make a difference in giving these wonderful children a brighter future!

Any donation is greatly appreciated!

100% of donation goes toward the orphanage building supplies.
