Message from Pastor David Ventura

Cristina Flores Valentin, Director of Limon Nurture Center / Family Unity Dining, is one of the first graduates of the AHMEN / SIFAT Leadership Initiative!

Report from Limon, Honduras: "Family Unity Dining"

This year we started with 40 kids and we started the feeding program in the dining room with great joy because we know that it is a great blessing for children and elderly in our community of Limon. Before feeding them we pray and sing with the children. We are visiting the parents or guardians of these children. We are trying to get the children to come to Sunday school. We do cleaning on the premises. This year we only have children less than 14 years of age because older kids were causing problems with the younger children. We thank you for all your help. God continue blessing your lives.
